

Hea võistleja!

Soovime Sulle edukat 2026. a hooaega! Ladusaks koostööks saadame Sulle veidi infot.

Eelregistreerimine EMV I etapile **Ghost Performance Season Opening 20.-21.06** on lõppenud. **Kohapeal saab registreerida 19.06 alates kell 16.00** võistluse sekretariaadis. NB! Maksta saab ainult **sularahas**.

Kuni **28.06 kell 23.59** on avatud **eelregistreerimine** EMV II etapile **Ghost Performance SummerFest 4.-5.07** siin: <https://app.autosport.ee/events> Eelregistreerimisel on hind **50€ soodsam** kui kohapeal registreerides! Tutvu kindlasti võistlusjuhendiga!

Superautode **SSC** klassi auhinnad on sel hooajal välja pannud **Stalla**. Iga etapi võitja saab Stalla poolt kinkekaardi ja hooaja võitjale kuulub **500€ kinkekaart**.

Kuna oleme saanud palju tagasisidet, et generaatorite müra häirib kaasvõistlejaid, siis oleme ürituse ala elektrivajadused katnud ise suurte generaatoritega ja jagame elektrit kõigile soovijatele. Oma generaatoreid kasutada on keelatud. Elektriühenduse saad osta **sekretariaadist 20€ eest** kogu etapiks ja see tagab ka soovi korral pääsu karavani/telkla alasse. Tasumine **sularahas**. Pikendusjuhe 220V peab endal kaasas olema.

Palume oma isiklike asjade suhtes olla tähelepanelik ning mitte jätta neid järelevalveta, sealhulgas ka boksialal. Korraldaja ei vastuta isiklike esemete kadumise, kahjustumise ega varguse eest.

Dear Competitor,

We wish you a successful 2026 racing season! To ensure smooth cooperation throughout the season, we would like to share some important information with you.

Pre-registration for Round 1 of the Estonian Drag Racing Championship – Ghost Performance Season Opening (20–21 June) has now closed. **On-site registration will be available from 19 June at 16:00** in the race secretariat. Please note that payment can only be made in cash.

Pre-registration for Round 2 of the Estonian Drag Racing Championship – Ghost Performance SummerFest (4–5 July) is open until 28 June at 23:59 via: <https://app.autosport.ee/events>. The pre-registration **fee is €50 lower** than the on-site registration fee. Please make sure to familiarize yourself with the Supplementary Regulations before registering.

This season, prizes for the **SSC** (Super Street Car) class are sponsored by **Stalla**. The winner of each round will receive a Stalla gift card, and the overall season winner will be awarded a **€500** gift card.

As we have received considerable feedback regarding generator noise disturbing fellow competitors, we have arranged the event's power supply ourselves using large generators and will provide electricity to all participants who require it. The use of personal generators is prohibited. **Electricity can be purchased from the race secretariat** for €20 for the entire event. This also grants access to the caravan/camping area if desired. Payment must be made **in cash**. Competitors must bring their own 220V extension cable.

Please keep a close eye on your personal belongings and do not leave them unattended, including in the paddock area. The organizer accepts no responsibility for the loss, damage, or theft of personal property.
